PLAY
DRAW
READ
MAKE

The image features a black and white design with the words 'PLAY', 'DRAW', 'READ', and 'MAKE' stacked vertically in the center. Each word is rendered in a bold, 3D block letter font, where the letters are white with black outlines and black shadows on their sides, giving them a three-dimensional appearance. The background is white and filled with numerous small, hand-drawn heart shapes of varying sizes. A single, larger heart is positioned in the upper left corner, and a large, stylized lightning bolt is located in the lower right corner.
